

Sincere accolades to each and everyone involved in all aspects of the Middle Park Fair Centennial. Handling the numerous regular events the MPF is noted for is huge. Creating and accomplishing the "welcome everyone" atmosphere with free admission and entertainment fees provided by the Grand Foundation's generous donation, adding areas to sit and watch events, turning the sheep barn into an amazing welcome center for visiting, listening to "live" music, enjoying fabulous meals Middle Park cooks are known for, Founder's Day history & presentations, etc - plus the cattle drive, branding party, grand entry for and Founder's Day luncheon, horse races on the track, the draft horses "at work", etc. And overall Caitlyn Sausseg's inspiring renditions of our Star Spangled Banner reminding us of how truly fortunate we are.

To the Fair Board -

A special thank you for all of the above and for my memorable "pioneer" plaque. Can't describe how much people were enjoying what all your planning and hard work provided

With appreciation,

Gert Greng
